**Matthew Henry**, Matthew Henry was a Nonconformist minister and author, who was born in Wales but spent much of his life in England. He is best known for the six-volume biblical commentary Exposition of the Old and New Testaments. Out of all the commentary and inspired books I use, Matthew Henry is the one I usually go to first. He breaks down his thought process aiding in a better understanding of his conclusions. He is very articulate which gives you a path to follow as he opens up the Scripture.

There are numerous others and I recommend that you use multiple commentaries in all your studies. This will give you a more open view of how others see what you are studying. I do not recommend looking only for a commentary you agree with, you must approach the Scripture with a want for wisdom over the need for approval or agreement.
