

The State of New California

Urgent Promotion and Preparation for a Day of Fasting and Prayer

August 30, 2022

The NCS Legislature has resolved that we should have a day of Fasting and Prayer for New California State and the success of our 10th Constitutional Convention.

The date selected in the resolution is on a Tuesday to memorialize the New California State Tuesday Grievance readings and occur in advance our NCS convention. Our intention is to honor God, of whom we rely on for our successes and salvation, to petition Him for forgiveness of our nation's departure from Him and request His blessings on our endeavor to rescue CA and create New California.

This resolution was submitted by NCS Senator James Reeves after he read Abraham Lincoln's *Proclamation for a Day of Humiliation, Fasting and Prayer of April 1863*. This proclamation day was observed during the Civil War and in advance of West Virginia pursuing statehood. Jim felt the wording of President Lincoln's Proclamation was very appropriate for our current circumstances and kept the wording as close to his original as possible.

Senator Reeves shared with the legislature that this was only one of many Presidentially Proclaimed Day(s) of Fasting and Prayer. George Washington, John Adams, James Madison and Abraham Lincoln are just a few. Abraham Lincoln proclaimed three national days of fasting and prayer for our nation while in crisis.

Fasting can take many different forms and each is encouraged to observe this day of reverence to God as they feel is best for them.

The NCS legislature is requesting the participation our members and any other groups concerned about the status of California to join with us in seeking out God's blessing, guidance and path for the success of New California State and the restoration of California to a Republican form of government.
